

Dear Community Business Leader:

The Lexington High School Band Boosters would like to have your help and support. The LHS Band Booster Club is a non-profit organization supporting the students, directors, and band programs of the LHS Cat Band. The Band Boosters are successful in our endeavors only through the combined efforts of band families, friends, and business leaders such as you. Our community has always been supportive of our fine band program in the past, and we are seeking your continued support. In past years, we have had an annual golf tournament, and many businesses like yours have supported us in this event. The LHS Band Boosters no longer have such an event, but we certainly still need your continued support of our programs.

The LHS Band Boosters would like to encourage you to become a Booster Club member in one of the several categories listed below. Please consider joining us in supporting the arts and the talent of our young people involved in the Lexington High School Cat Band. Thank you in advance for your generosity!
